## Minnesota Timberwolves vs. Lakers – Nov. 13, 2016

### Timberwolves Head Coach Tom Thibodeau

#### *On Wiggins stepping up...*

“I thought a lot of the guys stepped up. The obvious is that he did to score the way he did and make plays and put pressure on the defense, great performance. I thought Bjelica stepping in playing the small forward position, being ready to play; I thought he played a terrific game. Also Ricky got us going, strong first quarter. And I thought AP gave us really good minutes. Karl was excellent. Gorgui had some tough match-ups with small guys but he was solid.”

#### *On talking to Wiggins about being more assertive offensively...*

“Not only there [offensively] but I think defensively too, [I talk to him] a lot. I think he’s smart, he’s driven, sometimes mistakenly people take it that he’s laid back, he’s competitive. I think he’s just scratching the surface, I think he can do a lot more.”
