

# POSTGAME QUOTES

## Minnesota Timberwolves vs. Philadelphia 76ers – Nov. 17, 2016

### Timberwolves Head Coach Tom Thibodeau

*On playing a better game after the disappointment of Tuesday night...*

"I'm not disappointed. For me it's about us making commitments to improve. Coming in every day having more determination to put the work in every day and get ready for the next game. I thought we came out ready to play. Our defense was pretty good in the first half. Second half I thought we played tough. Rebounding was good. Sharing the ball was good. Overall, I was very pleased."

*On Karl Anthony-Towns' aggressive play...*

"Well I am concerned that he is not getting to the free throw line at all. So, that is a concern for me. Particularly when he was posting up quite a bit tonight and taking the ball. So, we will have to take a good look at that to see why he is not getting calls, but he has got to make them make the calls. [He's] got to take it aggressively to the basket."

*On Andrew Wiggins, efficient play...*

"He's playing very well. He's playing an all-around game. His defense is terrific - he got ten rebounds tonight. He is letting the game come to him. He is shooting it when he should shoot., passing when he should pass. He made several good plays to Karl [Anthony-Towns]. That's big for us. That pick-and-roll with those two is very difficult to guard."
