

POSTGAME QUOTES

GRIZZLIES 93, TIMBERWOLVES 71

NOVEMBER 19, 2016

TIMBERWOLVES GUARD RICKY RUBIO

On the third quarter:

"It was the whole game I think. We didn't play hard enough."

On the Grizzlies' performance:

"They played aggressively and they didn't let us play freely. And we can't play like that. It starts with me. I played very different than I often do and it's something I'm going to work on."

"We knew they were coming from back to back games and we didn't play with energy. It was like we were the ones who were playing back to back."

TIMBERWOLVES FORWARD ANDREW WIGGINS (4 points, 3 rebounds)

On what was different in tonight's game:

"We missed a lot of good shots. They slowed the game down a lot too. They played physical. And, you know, we just didn't play how we needed to play."

"We didn't make any shots and I missed a lot of shots that we needed to make. I needed to be more aggressive."

On rebounding:

"That was a big factor. We didn't rebound like we usually do. You know? They killed us in the glass."
